

THE COACHES

One of Ontario's best known coaching duos, **Al Sakata** and **Bryan Davies** have directed the Eclipse fortunes since 2000. Al and Bryan were team mates in the late 1970s on a YMCA

team sponsored by Bryan's late father. They share both the same birthday (December 31) and national level 3 coaching certification.

Kiomi Sakata and **Claire Davies** each graduated from the Eclipse programme in 2005. Kiomi designed the Eclipse logo; Claire ably assisted the team coaching staff during the Eclipse US tour in the summer of 2007. Al and Bryan are both long time residents of Whitby.

Lisa Aunger has joined the Eclipse coaching staff for 2007-2008. Lisa was

a savvy and talented point guard on the successful Eclipse teams in 2004 and 2005. A student at the University of Ontario Institute of Technology, Oshawa, Lisa also volunteers her coaching talents to local field lacrosse and high school basketball programmes.

talents and passions that are as spectacular as anything in the heavens. **Durham Eclipse** basketball is competition, commitment, and fun in our pursuit of excellence wherever it may take us.
